BERLIN, Oct. 27. (via London,

do boat destroyers or torpedo
boats were sunk or badly dam-
aged by a German torpedo boat
squadron Thursday night in the
English Channel between Folke-

an official communication issued
here. The German torpedo flotilla
returned safely to its base

The communication says:

WAR ALREADY HAS COST

SIXTY BILLION DOLLARS
LONDON, Oct. 27.—The Reichstag
has passed the new German war cred-
it through three readings, according
to a Reuters dispatch from Amster-
dam.

Count von Roeder, the imperial
treasurer, the dispatch adds, in mov-
ing the credit of twelve billion marks,
estimated that the total expenditure
of all the belligerents has been 250
billion marks, exclusive of goods de-
stroyed of which one third falls to
the share of Germany and her allies.
The monthly German expense, Count
von Roeder stated, has reached
about 2,187,000,000 marks, owing to
the extensions of the fronts into Tran-
sylvania and Dobruja.

GERMANS MARCH ON RUMANIAN CAPITAL

(By Review Leased Wire.)
LONDON, Oct. 28.—The German
troops on the Transylvania front have
taken Campulung twenty miles with-
in the Rumanian border, says a Petro-
grad dispatch to the Chronicle.

Campulung lies about thirty
miles southwest of Predeal pass,
which recently was forced by German
troops, under the command of Gen-
eral von Falkenhaven. The city lies 80
miles northwest of Bucharest, the Ru-
manian capital. It is a summer res-
ort in a valley of the Transylvanian
Alps and has a population of about
13,000.

NEW JERSEY REGIMENT LEAVES FOR HOME

DOUGLAS, Oct. 27.—The Fifth New
Jersey Infantry which has been on
border duty for four months, en-
trained today for its home station and
left for the east. The regiment which
has a strength of twelve hundred men,
expected to leave ten days ago when
the Colorado Infantry arrived, but not
enough equipment was brought at
that time.

NEGRO VOTE FRAUD IS EXPOSED BY U. S.

Migration of Colored Voters

Assumes Alarming Proportions
in Some States.

ARE BEING SENT TO "DOUBTFUL" STATES

Labor Orders Also Are Watch-
ing Lest Colored Men Be
Used to Batter Down Wage
Scale in Industrial Centers.

(By Review Leased Wire.)
WASHINGTON, Oct. 27.—Both the
department of justice and the depart-
ment of labor are watching closely
the migration of southern negroes to
northern industrial centers. The legal
officers hope to check possible elec-
tion frauds while the labor authori-
ties are interested primarily in pre-
venting their federal employment serv-
ice from being used to further migra-
tion schemes.

U. S. Agents Kept Busy.

Attorney General Gregory, in addi-
tion to federal district attorneys, has
ordered a special inquiry into complaints
that negroes are being sent in con-
siderable numbers to doubtful states
under promise of work at high wages.
District Attorney Miller at Louis-
ville, has been ordered to report the
names, towns and destinations of all
negroes or any other possible voter
going from Kentucky, Alabama or any
other part of the south, passing
through Louisville en route.

Department of justice officials de-
cline to talk on the ground that it
might interfere with the government's
plans, and all reports and correspond-
ence are being withheld from publica-
tion. The attorney general conferred
today with his assistants in regard to
election frauds generally. He is giv-
ing the matter personal attention and
under his direction special agents of
the department of justice are at the
call of every district attorney desiring
assistance.

Invasion Many States.

So far complaints have reached the
department of alleged frauds or con-
templated, affecting candidates for
federal offices in Indiana, Illinois,
Ohio, Michigan, Kentucky, Pennsylvania,
New Virginia, New York and Mis-
souri. The department of labor let
it become known that it had issued
orders designated to prevent the use
of the federal employment service in
assisting in the migration of large
numbers of negroes from the south-
ern states. Assistant Secretary Post
said the department had no intention
of becoming a party to schemes which
might be devised for the purpose of
lowering wages or breaking labor
strikes.

Labor Also Perturbed.

At the same time it was made clear
that in cases where investigation
proved it to be a fact that skilled
laborers were being hindered because
of lack of unskilled assistants and
where there was legitimate work for
negroes, efforts would be made to se-

America Must Prepare to Meet Competition After War, Says Hughes, In Answer to Wilson's Speech

(By Review Leased Wire.)
ROCHESTER, N. Y., Oct. 27.—
Charles E. Hughes tonight replied to
statements in President Wilson's Cin-
cinnati speech concerning prepara-
tions to meet commercial competition
after the war.

Mr. Hughes told an audience here
that the administration's views re-
minded him of its views on prepared-
ness in December 1914, which were
afterwards changed; that he con-
sidered the anti-dumping provision of
the revenue bill, intended to meet the
situation as "farfetched" and "worse
than useless," to protect American
workmen; and that even if the per-
centage of exports of commodities to
supply armies was small, it required
but very little to "contract or de-
stroy the prosperity of the country."

The nominee addressed an audience
that cheered him repeatedly. He told
them that, as he had been whole gov-
ernor of New York he was now, and
should be in the future; that he was
willing to stand or fall by what he
believe to be right.

HOW BRITISH BAGGED A ZEPPELIN IN WEE MORNING HOURS AT CUFFLEY, ENGLAND

Zeppelin in rays of searchlights; machine descending a few moments later.

These photographs, taken at Cuffley, near London, show how the Brit-
ish are bagging the night prowling Zeppelins that have been making peri-
odic visits to England. The large photo shows powerful searchlights play-
ing on the Zeppelin several thousand feet in the air. The inset shows the
same machine a few minutes later after it had been hit by anti-aircraft
guns. The Zeppelin was a complete wreck and all the members of her large
crew were killed.

SHERIFF NAMES WILSON TO WIND UP CAMPAIGN OFFICERS IN N. Y.

Jack Ryan, Frank Homan and
Ivin Phillips Commissioned
as Deputy Sheriffs to Safe-
guard Traffic in District.

Three motorcycle deputy sheriffs
were commissioned yesterday after-
noon by Sheriff Harry C. Wheeler, fol-
lowing a meeting with the Sheriff of
a large number of motorcyclists of
the Warren District. Frank Homan,
Jack Ryan and Ivin Phillips were the
men commissioned. They started to
work at once.

The commissioning of these men is
the direct result of the congested traf-
fic conditions on the roads of the Dis-
trict and more particularly of the
abuse of regulations, which has culmi-
nated in the death of two men in this
region and of the killing of an audi-
ence on the road leading out of Dou-
glas toward Bisbee.

It will be the duty of the deputies
to patrol practically every road in
the entire District. Jack Ryan has
been detailed to policing the road be-
tween the city limits and Lowell. Yes-
terday afternoon and last evening
Ryan started his work by stopping

Whirlwind Finish to be Staged
in New York and New Jer-
sey—Last Speech Will Be
at Shadow Lawn, Nov. 4.

(By Review Leased Wire.)
LONG BRANCH, N. J., Oct. 27.—
President Wilson returned here to-
night from his trip to Cincinnati
which marked his last appearance in
the middle west before the election.
He motored directly to Shadow Lawn
At frequent intervals during the day
he shook hands with crowds as he
passed through West Virginia, Mary-
land and Pennsylvania.

"If you make one speech here, you
will carry Pennsylvania," said a man
in the crowd at Philadelphia.

"Maybe I'll carry it anyway," re-
sponded the President.
The President's speeches here be-
tween now and the election will be
devoted chiefly to efforts to carry
New York and his home state of New
Jersey. Tomorrow afternoon he will
speak at Shadow Lawn to an audi-
ence made up mostly of New Yorkers
and next Wednesday and Thursday

CARRANZA TOSSES HAT INTO RING; WILL RUN FOR THE PRESIDENCY

U. S. EXPECTS TO ARREST PLOTTERS IN MEXICO SOON

Developments in Conspiracy
to Attack U. S. Border Are
Expected by Secretary of
War Baker Soon.

(E. Review Leased Wire)
WASHINGTON, Oct. 27.—Secreta-
ry Baker left for Wilmington, Ohio,
tonight to continue his campaign
speaking without revealing either
sources or exact information that led
the war department yesterday to is-
sue a statement saying it had express
information that an attack upon Amer-
ican troops in Mexico or on the border
was being planned by conspira-
tors.

Secretary Lansing and Baker reaf-
firmed today that the statement was
not intended to charge political oppo-
nents in this country with conspiring
with the bandits.

Arrests Expected
The arrest of some individuals ac-
cused of complicity in the plot, it was
stated authoritatively, probably
would be the public's next informa-
tion on the subject.

Pershing Ready

General Pershing had nearly 12,000
men with him, and it is believed he is
in position to handle any assailant
easily. There is every indication that
the raid was directed against the
troops in Mexico or a border town.

Reports from Mexico City say quiet
has prevailed there and the departure
of Carranza for Queretaro has not
been officially reported, although
press dispatches have stated that he
left several days ago.

Plot to Blow Up Pershing Supplies At Juarez Exposed

(By Review Leased Wire)
SAN ANTONIO, Oct. 27.—What is
believed to have been an attempt to
destroy 30 carloads of supplies await-
ing shipment from Juarez for use of
the American expeditionary force in
Mexico resulted in the burning of
four cars of scrap iron in the railroad
yards at Juarez last night. The sup-
plies for General Pershing's command
were not damaged. General Bell,
commanding at El Paso reported on
the incident in a message to southern
department headquarters today.

General Bell also transmitted the
information that Villa forces are re-
ported to be moving to cut the rail-
road line extending southward from
Chihuahua to Saltillo. A report that
such a plan was contemplated by Vil-
la was forwarded to headquarters
earlier in the day by General Persh-
ing.

Gathering Yaquis Plan New Outbreak

(By Review Leased Wire)
EL PASO, Oct. 27.—Yaqui Indians
in the interior of Sonora are gather-
ing at their old stronghold at Baca-
tete, about one hundred miles south-
east of Guaymas, an American min-
ing man who arrived at the border
here today reported.

He said he had seen Yaqui Indians
passing his home enroute to this re-
gion of the Indians, and all were
well armed. He predicted an early
outbreak in Yaqui district against the
Carranza government in Sonora.

400 SONORA BANDITS JOIN LEGALISTA OUTLAWS

DOUGLAS, Oct. 27.—"Colonel" Ro-
sario Garcia, for five years an inde-
pendent bandit in eastern Sonora, and
Colonel Francisco Riera, until recent-
ly a follower of Villa in Chihuahua,
are reported in a letter received here
today to have joined forces and de-
clared for the Legalista party. Their
combined following is said to number
four hundred.

The command is making its head-
quarters in the hills southeast of Sa-
huaripa, the letter said.

PLEDGES TO UPHOLD LAW OF CONSTITUTION

Generals Gonzales and Obre-

to First Chief and Party

(By Review Leased Wire)
MEXICO CITY, Oct. 27.—Gen-
eral Carranza formally announced
his candidacy for the presidency
at one o'clock today in response
to a manifesto of new Constitu-
tionalist-Liberal party which
urged him to run for the office
and offered him its loyalty and
support.

In his acceptance General Car-
ranza said that if by the vote of
the people they made him presi-
dent, he would obey and cause to
be obeyed the laws under the con-
stitution. Generals Gonzales and
Obregon took the oath of loyalty
to General Carranza.

Villa Encircled By Ring of Steel

(By Review Leased Wire)
CHIHUAHUA CITY, Oct. 27.—The
enveloping movement against Villa
was strengthened today when Gen-
eral Maveotte reached Santa Rosalia
with 2200 men in order to prevent
Villa from turning to the southeast
from his base at Santa Ysabel. Vil-
la's way to the north is also said to
be effectively blocked. Meantime
forces are on their way to guard the
passes southward. It is stated at
headquarters, however, that the en-
circling movement is of wide extent
so that some man's of time must be
allowed to show the effects of the
enclosure.

On last Tuesday eight followers of
Villa appeared at Aldama, 14 miles
east of Chihuahua, but were dispersed
before they could do any damage.
General Trevino states that he is
receiving all of the military supplies
he asked for and denies the report
that he had advised officials to leave
Chihuahua. In regard to other rum-
ors circulating in the United States,
he says that no battle whatever took
place at Fresno, and that his rela-
tions with the First Chief and war
minister have been most cordial and
without any friction.

Villa Runs Trains In West Chihuahua

EL PASO, Oct. 27.—Bandits under
the command of Francisco Villa are
operating trains on the western divi-
sion of the Mexico Northwestern Rail-
way between Santa Ysabel and San
Antonio, a report received by govern-
ment agents here stated.

Villa, when he started southeast
toward Satevo and Santa Rosalia, is
said to have left a comparatively
large force of men along the North-
western to guard the railroad and to
prevent any use of the line by Carranza
troops in the operations against
Villa and his commands.

Villa, according to the same source,
now has approximately 4000 men,
some of whom are not armed.

500 Warring Yaquis Surrender to Calles

DOUGLAS, Oct. 27.—Five hundred
hostile Yaqui Indians, under Chiefs
Mori, Matus, Espinosa and Gomez,
considered the most bloodthirsty of
the leaders, surrendered uncondi-
tionally to General P. Elias Calles after
a "three days" conference in the hills
south of Hermosillo. General Calles
said.

Further surrenders of the hostile
tribesmen are expected to occur in
the next few days, he said. General
Francisco R. Serrano, military com-
mander of the state, is holding a con-
ference with most of the chiefs re-
siding in the field. General Carranza
stated.
